425 State Capitol Bldg.,  
Salt Lake City, Utah

Gentlemen:                      RE: RESTORATION PROCLAMATION OF THE  
                                      GREEN RIVER

Pursuant to a public hearing held in the office of the State Engineer, 403 State Capitol Building, Salt Lake City, Utah, at 9:00 a.m. Friday, September 19, 1958, to consider the priority of applications deposited with the State Engineer during the period of publication of the Restoration Proclamation, and in accordance with the discussion relating to official action of the Utah Water & Power Board in determining priority of other applications filed prior to the first day of depositing applications under the Restoration Proclamation, and in accordance with the official action of the Utah Water & Power Board at a meeting held November 14, 1958, this is to advise of the action taken relative to the establishment of priority of such applications as follows:

There were 16 applications filed by the Utah Water & Power Board on August 6, 1958, which were not subject to the establishment of priority by the State Engineer but which were filed in regular order. There follows hereafter a list of such applications giving the application number, the amount of water to be appropriated, and the county.

<u>APPLICATION NO.</u>	<u>AMOUNT</u>	<u>COUNTY</u>
30398	3 sec.-ft.	Uintah
30399	4	"
